BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$3,995

Our charge for basic services includes, but is not limited to: the services of our funeral directors and staff to respond to initial request for service, the arrangement conference, arrangement of the service, filing of necessary authorizations and permits, recording vital statistics, placement of obituary notices, staff assistance prior to and following the Celebration of Life, including coordination of service plans with cemetery, crematory and any other parties involved. Included in this charge are overhead costs relative to our facilities, professional licensing, legal and accounting, insurance, utilities, maintenance, taxes, furnishings, inventory cost and administrative expense.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremation, immediate burial and forwarding or receiving of remains.

PREPARATION OF THE DECEASED

Embalming & Restorative Arts \$595

Except in certain cases, embalming is not required by law. Embalming may be necessary if you select arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that doesn't require you to pay for it, such as direct cremation or immediate burial or where refrigeration or the use of dry ice is available.

Cosmetology, dressing, casketing and other preparation of the deceased \$300

Restorative care following autopsy \$195

Restorative care following organ/tissue donation \$195

Hairdresser \$60

(Excludes cost of casket) \$2,910

Direct cremation includes a proportionate share of our basic services of the funeral director and staff, local transfer of deceased to our funeral home, alternative care of the deceased, assistance with necessary paperwork and placement of obituaries and the cremation process.

Minnesota law does not require you to purchase a casket for cremation. If you want to arrange a cremation, you can use a cremation container. A cremation container is a combustible, closed container that encases the body and can be made of materials like fiberboard or corrugated cardboard and into which a dead human body is placed prior to insertion into a cremation chamber for cremation. The containers we provide are cardboard.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are cardboard.

Pre-Planning

We encourage families to understand the benefits of pre-planning. You have the option of guaranteeing today's prices and funding your funeral plan, or simply placing your wishes on file and allowing costs to be paid at the time of need. Pre-planning helps to ease the burden of making major decisions at an emotional time. For more information please call our office or visit the preneed section on our website.

Third Party Charges/Cash Advance Disclosure

You may want us to purchase certain items on your behalf. The prices or estimated costs of the items you select will be shown on the statement of funeral goods and services. We make no charge to you for our services in buying these items; however, we ask the family to reimburse us for these expenses prior to the time of the service. These items may include cemetery expenses, cremation authorization, clergy honorarium, musicians, florists, caterers, hairdresser, obituaries notices, airline transportation, etc.

Selecting funeral arrangements for a loved one involves many decisions by family members making these arrangements. Not only are you accepting the moral responsibility of planning the service, you are accepting the financial obligation of paying the expenses associated with these funeral arrangements.

To assist you in making a decision on how best to satisfy these expenses, we offer the following options for settling your funeral expenses:

- _____ Account paid in advance through Prepaid or Prefunded Funeral Arrangements.
- _____ Assignment of insurance policies which are in good standing to cover a minimum of 50% or the total expenses with any outstanding balance due within 15 days of receiving the insurance proceeds.
- _____ Payment of Third Party/Cash Advance Items due at completion of the funeral service with the balance due within 30 days from the date of the contract.
- _____ We accept Visa or MasterCard. We will add a 3.5% service charge of your total bill if you chose this method.

We do not bill Estates. If we have assisted you with Third Party items (cemetery charges, honorariums, flowers, etc.), payment is to be made for these items by the day of service.
